## 2024年度 関西学院高等部 入学試験 英語 リスニングテスト2 (原稿)

《 リスニングテスト2 》

問題用紙その5、<リスニングテスト2>を見て下さい。

今から、Keiko と Genki の姉弟2人が夏の家族旅行について、KG Travel Company のチラシを見ながら会話をします。問題用紙に印刷されているチラシと質問に目を通しながら聞いて下さい。会話は2度読みますが、質問は読まれません。では、10秒後に始めます。

K: Hey Genki. Did you hear from Mom and Dad? We are going on a family trip to Hokkaido for our summer holiday!

G: Yeah, I'm so excited! They gave me a copy of the tour plan. Here it is!

K: Oh, let's have a look. First, let's look at what we are going to do... Hmm... Wow, it's perfect! Especially, the 3rd day looks great!

G: Really? I don't think we need shopping time in the afternoon.

K: Well, we need to buy souvenirs for our friends. Also, in the morning, you can use your free time to go to the zoo or the museum with Dad, right? I can enjoy more shopping in the morning with Mom!

G: Yeah, me and Dad like animals so it's a good idea.

K: But one thing I don't like is the meal plan for the second day. It's good that breakfast is served at the hotel, but I want to choose what to eat for lunch by myself.

G: I agree. Same as dinner, I want to choose a restaurant for lunch.

K: You are right. Now, let's look at the price. What do you think about it?

G: Oh, we are both under 15, so we get a discount! So, that's lucky!

K: But be careful Genki. It says we can get this special offer if we contact the travel company early. Genki, what's today's date?

G: Let me see, June 9th. Oh no, we only have two days left to get the special offer. Let's talk to dad and mom as soon as possible because they may not know this information.

K: Yeah, let's do that. But before we talk to Mom and Dad, why don't we go buy some guidebooks?

G: OK!
